

GNCommunities have their heart & DNA centered in the 4 devotions found in **Acts 2:42** – “They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer.”

We desire for these 4 devotions to be lived out by all followers of Jesus each day, but our GNCommunities will facilitate 1 to 2 specific gatherings each month to come together and focus on these 4 devotions in diverse ways. All are welcome!
